

TRAINING THE NEXT GENERATION
OF INTERNATIONALISTS

2018-2019 RAUN Theme

“Innovations for Development: Towards Peaceful, Sustainable and Inclusive Societies”

The Academy in Short:

- International and multi-disciplinary program on issues related to the UN and international affairs
- One theme of global relevance each year
- Research projects in close cooperation with UN Agencies and other international organizations
- 3 sessions in different cities combining lectures with hands-on experiences
- Forum for networking and academic exchange
- Environment that fosters diversity, tolerance, cultural learning, and understanding
- Certificates of successful completion

“The Regional Academy on the United Nations is a valuable multicultural educational initiative to train an emerging generation of young scholars in issues of importance to the United Nations.”

Jan Eliasson, Former UN Deputy Secretary-General

Opportunities for Participants:

- Gaining practical knowledge about the UN system and international cooperation
- Supporting the work of the UN in finding solutions to global challenges
- Learning from high-ranking UN & government officials
- Networking during various social events, meeting like-minded peers and practitioners
- Acquiring cultural awareness, understanding
- Improving research and presentation skills
- Publishing research projects
- ... and many more

Application deadline: 8 April 2018 (00:00)
